2.4 Road Guards.

1. Road Guards will wear reflective vests while marching.
2. In hours of darkness, element leaders and road guards will carry flashlights and will have them turned on while traveling on any street.
3. The second cadet from the first and last element will be the road guards. If a third road guard is required, he/she will be the last cadet of the last element. Only one road guard is necessary for each direction of traffic.
4. A flight staff member must ensure the intersection is clear before calling the road guards out. Road guards will be placed and in position prior to the flight entering the intersection. The flight members will echo all commands back to flight staff regarding the positioning of road guards.
5. Road guards will stand at parade rest until a vehicle approaches. At that time the road guard will come to attention and hold his/her right arm forward with fingers together and palm facing out. If an officer is in the first vehicle, the road guard will salute.
6. When a road guard is called in from an intersection with vehicles, the road guard will come to attention and salute before returning to the flight. The road guard does not salute if there is not a vehicle in their path.
7. Road guards will double time to and from their positions safely.

Chapter 9 DINING HALL

- 9.1 All cadets will file into the dining hall in a single file column. When the line halts, cadets will assume the position of parade rest. Prior to moving forward, cadets will come to attention, march forward, and again assume parade rest.
- 9.2 After receiving trays of food, cadets will proceed to the most distant vacant chair on the designated area of the dining hall. Cadets will not start a new table until the current open table is filled.
- 9.3 The first cadet at each table will become the table commander. Cadets will ask the table commander, "May I have permission to join your table?" When an affirmative answer is received, the tray of food will be placed on the table directly in front of the chair. The cadet will stand at parade rest behind the chair until the table is filled. When all places are taken, the table commander will say, "Table, attention. Seats." Cadets may now begin eating. Proper placement for hats is on the lap, knee, or floor. Cadets will not put items other than food (hats, road guard vests, binders, etc.) on the table. The best place is usually under the chair.
- 9.4 No cadet will be denied any portion of his/her meal. Cadets will consume all of the food taken from the serving line. Seconds may be obtained after completion of first helping.
- 9.5 Cadets are expected to eat and maintain a properly balanced daily diet. Cadets will not consume carbonated beverages unless specifically authorized.

12.3 THE VALUE OF DRILL AND CEREMONIES

On the drill field the individual learns to participate as a member of a team, to appreciate the need for discipline, that is to respond to authority, to follow orders promptly and precisely and to recognize the effects of their actions on the group as a whole. Learning to follow is the beginning of leadership.

12.4 DEFINITION OF LEADERSHIP

The art of influencing and directing people in a way that will win their obedience, confidence, respect and loyal cooperation in achieving a common objective.

12.5 DEFINITION OF MILITARY DISCIPLINE

Military discipline is that mental attitude and state of training which renders obedience instinctive under all conditions. It is founded upon respect for, and loyalty to properly constituted authority.

Chapter 3 ATTENDANCE

3.1 Absence from duty. Only the Encampment Commander, Commandant of Cadets or the cadets' Tactical Officer may excuse cadets from duty or formations. Any cadet excused from duty or formations will receive written notice confirming his/her status. He/she will notify his/her Flight Commander and report to his/her Tactical Officer. At all formations, the Flight Commander will report all absences as directed. When a cadet misses a part of a training session, he/she will attend as much of the remaining portion as possible.

3.2 Encampment Credit. Credit for completing a CAP encampment is by no means automatic and is granted by National Headquarters/CAP, upon receipt of a report from the Encampment Commander recommending that credit be granted. Each cadet must satisfactorily complete at least 80 % of the scheduled training/instruction and have the approval of the Encampment Commander to receive encampment credit.

Chapter 1 GENERAL

1.1 Cadets will be familiar with the contents of this SOP immediately upon arrival at encampment.

1.2 Introduction. By nature, the CAP encampment is a rigorous training exercise. It is designed to challenge the cadet physically and mentally. It is the most important single challenge that the cadet must meet before attaining the coveted General Billy Mitchell Award which entitles the bearer to cadet officer status in Civil Air Patrol. Credit for successful completion of a CAP encampment must be earned; it is not automatically granted for simply attending the encampment.

1.3 Transportation. Transportation to and from the encampment site is your personal responsibility. It may be that the Wing or a local unit arranges some common transportation for you, contact your local commander. If you have possible problems with your return transportation, it is your responsibility to inform your Tactical Officer of your problem immediately.

1.4 Reporting. The acceptance letter you received directs you to report to the encampment at a specific time. If you are unable to report at this time, contact the Encampment Commander at once. You are to report in the Fatigue Uniform (BDU), unless directed differently by the acceptance letter. All cadets will arrive and depart the host facility in uniform.

2

Chapter 4 ORGANIZATION

4.1 Structure. The encampment will be organized as a Cadet Training Squadron (CTS) with subordinate Flights or as a Cadet Training Group (CTG) with subordinate Squadrons and Flights. The Flight is the basic training unit of the encampment.

4.2 Cadet Staff. The cadet staff will be selected by the Commandant of Cadets and the Tactical Staff from advanced cadets who have applied to the Encampment Staff Selection Exercise (ESSX). All cadet staff members will have attended at least one previous encampment.

4.3 Tactical Officer. The Tactical Officer is a CAP Senior Member assigned to instruct, observe, and evaluate members of the flight. The health and well-being of the cadets within the flight is the responsibility of the Tactical Officer. Each cadet may look to him or her for guidance with any problem.

4.4 Chain of Command. A cadet desiring to report to a higher level of command will do so through all intermediate echelons of command. If a cadet desires to talk to his/her Tactical Officer, he/she may do so, at any time, by making a request to his/her Flight Sergeant or Flight Commander. A request to speak to the Tactical Officer will never be denied and will be granted immediately by the cadet staff member.

8

Chapter 12 MEMORY WORK

12.1 General. The cadet must memorize the following items word for word. This added task (along with academics and leadership training) gives the cadet experience at thinking under pressure. It is hoped that the cadet will find that all of the material is of some use to him/her after encampment, and indeed all items included should be familiar to all cadets.

12.1 THE CADET HONOR CODE

On my honor, as a Civil Air Patrol Cadet of the California Wing, I will not lie, cheat, steal or commit any act of intentional dishonesty or tolerate those who do.

12.2 THE CADET OATH

I pledge that I will serve faithfully in the Civil Air Patrol cadet program, and that I will attend meetings regularly, participate actively in unit activities, obey my officers, wear my uniform properly, and advance my education and training rapidly to prepare myself to be of service to my community, state and nation.

19

Chapter 8 BARRACKS PROCEDURES

8.1 Cadets will be familiar with all items on the flight bulletin board, if available.

8.4 Any items borrowed from another flight (i.e., buffers, mops, etc.) will be returned as soon as possible.

8.5 Racks will be occupied only when so directed.

8.6 Broken or defective equipment will be reported immediately to the Tactical Officer.

8.8 Any personal items left in the latrine will be confiscated and returned at the end of encampment.

8.10 Barracks will be kept neat and clean and will be subject to inspection anytime during the duty day.

8.11 Basic cadets will not get up in the morning until "First Call" sounds.

13

Chapter 11 RESTRICTIONS

11.1 Cadets will not gamble, smoke, use any drugs, including tobacco preparations or consume alcohol at any time during the encampment.

11.2 The use of any medications must be cleared by the Medical Officer or designated representative before being taken at encampment.

11.3 Cadets will not engage in conversation with any other cadet not assigned to his/her own flight except in accomplishment of official and authorized business.

11.4 Cadets will not leave the barracks area at anytime except when authorized. Two or more cadets travelling together will be in formation and will execute military maneuvers at all corners.

11.5 Sunglasses will not be worn in formation unless they are authorized by the Medical Officer or designated representative.

11.6 Solicitation of Gifts Prohibited. In order to avoid any possibility of the appearance of a conflict of interest, absolutely no gifts (including uniform items or accessories) will be solicited by or exchanged between basic cadets and staff members before, during, or after encampment. The voluntary nature of the exchange does not affect this provision.

18

1.6 Out-Processing. Basic cadets must properly out-process in order to receive encampment credit. This specifically includes proper completion of the Activity Release Form and it's submission to proper authority.

1.7 Dismissal or Withdrawal. Each cadet in attendance is responsible for conducting themselves in a manner reflecting credit upon themselves and CAP. Misconduct may subject a cadet to dismissal from the encampment without credit under provisions of CAPM 50-16. Dismissal will be based on a thorough and impartial investigation by the Commandant of Cadets or his/her designated representative. A cadet will be permitted to withdraw from encampment without prejudice for reasons of sickness or hardship.
